

You And I

Mellowdrone

You and I
We fell today
Someday I'll try
and fix you, ok

Yeah (yeah, yeah, yeah)
Yeah (yeah, yeah, yeah)
Yeah (yeah, yeah, yeah)
Yeah (yeah)

You, You lied
You said you'd stay
Now you're gone
Why didn't you feel the same?

I can talk for me too
Too late
I'm so alone
