Lil' mami got an ass like a mami do (mami do)  
But I'mma spank that ass like a papi do (papi do)  
You in trouble, la bonita, with that attitude (attitude)  
Red lipstick with the tattoo (tattoo)  
We in that '63 Impala bangin Big Pun (Big Pun)  
My other la bonita rollin' up a big one (roll up)  
Sexy cholo baby ridin' with that big gun  
My Spanish model bitch, she a thick one (thick one)  
Now we in Miami drinkin on tequila (tequila!)  
Can I have this dance with you Miss La Bonita? (yes)  
Salsa, cha-cha, blah blah  
All I want is la bonita by my side  
This song ain't only for the Spanish girls  
(Namsayin it's for all the girls, I love all girls)

Damn! How'd you get your ass in those?  
I love it when she bends over, touch her calves and toes  
A few cents in my amusement park, don't abuse with your loose friends  
Never catch her with some loose pants  
I'm too in - tooting as she beep beeps  
And I ain't playing with physique, chick Higashi beats cheeks  
I skeet skeet a mountain, but not while she bouncin'  
On my vertical jaw ride, dead neck, sore thighs  
If you're Dominican, I love hispanics  
My Puerto Rico mama speakin' me Spanish  
They cook me them steak tacos, side of rice and beans  
I bought it, you take the offer, give you the finer things  
It's ridiculous, how promiscuous  
She looks delicious put her name on my hit it list  
Get it bitch, if you ain't got no hoes dawg, you should get a hitch  
I'll call it quits and take it hype across this cits  
Hey bitch

Girl why you pullin' on my shirt, you a flirt huh?  
Came through cause your man done did you dirt huh?  
And I fuck you good, I make you squirt uh  
Just keep talkin' that lala as I observe huh  
Somethings been wrong with me, lately, chasin' these ladies I'm crazy  
For la bonita. I freak-a-lika and he go see my  
To kick it like a sneaker that's cheaper than that punchline  
La bonita bitter sweet, punchline!

I be rolling through, coming through, holdin' you and pullin' off all of your clothes, get it three times in a row  
I be rollin 2 blunts, and smokin' you out and your friends, cause they know I fuck them too, cause they hoes  
I be rolling through, coming through, holdin' you and pullin' off all of your clothes, oh oh  
I be rollin 2 blunts, and smokin' you out and your friends, cause they know toe to toe, whatever goes
