Hehe, yeah

I know I'm tight nigga, I don't need your feedback
I'm so active, I cause others to deact
Ha - and when I hear "Run Forrest"
I run for it, like my name Gump Forrest
I'm back like I hunch for it, hunchback
Keep equipment in my handy dandy lunch sack
I gotta have my money blunt wrap
I'm too HARD to look down, so I just jump back
while I'm hangin in the cumulus accumulate the numerous
Tired of being laughed at, well quit bein humorous!
It's a dog eat dog world and you knew the bitch
I hope you had rabies shots before you screwed the bitch
Feel my shit like it's comin out my rectum
Already two-steppin while you skipped over step one

I wanna show you the right way
I wanna show you the right way
I wanna show you the right way
So why don't you come and follow the MellowHype way?
Come and follow the MellowHype way

And if you on your grind, I'm on my grind too
Nigga you wanna shine? Well I wanna shine too
You about yo' time? Well I'm times two
Rob you for your spot like you's a blind dude
I'm all about my (Hussle) like (Nipsey)
If you ain't about that hustle nigga then you just ain't busy
That's why I got my camp behind me and your whole crew with me
Never be on the junk too with my attitude pissy
I be on my skunk tip, leavin verses shitty
Man I gotta eat eggs, toast and the grits please
I get served and homey you get swerved
26's on Suburbs when I pull up to the curb
Fight music; never had to swing swords
I just punch it all in like a keyboard
There's plentiness when I always hope to be more
And appreciating assets, see-more
Three whores it's just me, bring three more
And my CD's sell by the sea-shore
Running with a crew of winners, you can keep score
Score - ha ha ha
