She my "Sexy Love" like Ne-Yo

And wherever she go, he goes  
To France, we go, romance, sing slow

Crispy like a Pringle, sing it like a jingle

Hold my hand so tight man I got a couple blisters  
But she cheated on me so I blew her to smithers

cause she was with another when I wasn't with her  
Want me back now but you can keep that nig-ger

Smoke some kush with me  
Roll the L with me (roll it up, roll it up)  
Take it slow with me (let's take it slow girl)  
Blow some dro with me (let's blow some dro girl)  
Smoke some kush with me (smoke it up, smoke it up)

I keep multiple women and I do it for a reason  
New chick everyday and they're fluent for a reason  
I live a fresh life where everything's new  
I can put it on my card and pay when everything's due  
"How's everything, Hodgy?" Everything's cool  
Well I'm glad to hear that everything is everything boo  
I don't know about you but I'm on my mind to get stacks  
You fade like jeans like pants you slack  
I wash the crease out you, let you dry on the rack  
Intruder Mr. Computer, there's a loser tryin to hack  
But you can't hack a jack, kick 'em like a hackysack  
I get to gigglin because you niggaz are a laughin act  
Now how fad is that? I mean how laugh is that?
