

# Don't You Worry Baby

Melody Gardot

Well don't you worry baby  
I will always come home  
Don't you worry baby  
I won't leave you alone

You can try to tell me  
You'd rather be on your own  
But don't you worry baby  
I'll never leave you alone, no, no

Because I love you too much  
You know I love you too much  
Well I love you too much  
To leave you on your own

Don't you threaten on baby  
I'll never walk away  
Don't you threaten on child  
I am here to stay

You can try to tell me  
There ain't no other way  
But don't you worry baby  
Everything will be ok, yeah

'Cause I love you too much  
You know I love you too much  
I love you too much  
To let you walk away

Don't you worry baby  
I will always come home  
Don't you worry baby  
I won't leave you alone

You can try to tell me  
Yeah, yeah, yeah  
You'd rather be on your own  
But don't you worry baby  
I'll never leave you alone

No well don't worry  
I could never leave you  
I would never leave you  
Don't you worry baby yeah
