

# If the Stars Were Mine

Melody Gardot

If the stars were mine  
I'd give them all to you  
I'd pluck them down right from the sky  
And leave it only blue

I would never let the sun forget  
To shine upon your face  
So when others would have rain clouds  
You'd have only sunny days

If the stars were mine  
I'd tell you what I'd do  
I'd put the stars right in a jar  
And give 'em all to you

If the birds were mine  
I'd tell them when to sing  
I'd make them sing a sonnet  
When your telephone would ring

I would put them there inside the square  
Whenever you went out  
So there'd always be sweet music  
Whenever you walk about

If the birds were mine  
I'd tell you what I'd do  
I'd teach the birds such lovely words  
And make 'em sing for you  
I'd teach the birds such lovely words  
And make 'em sing for you

If the world was mine  
I'd paint it gold and green  
I'd make the oceans orange  
For a brilliant color scheme

I would color all the mountains  
Make the sky forever blue  
So the world would be a painting  
And I'd live inside with you

If the world was mine  
I'd tell you what I'd do  
I'd wrap the world in ribbons  
And then give it all to you

I'd teach the birds such lovely words  
And make 'em sing for you  
I'd put those stars right in a jar and  
Give them all to you
