

# Sweet Memory

Melody Gardot

Sweet Memory  
Talking about a sweet memory  
It goes round and round in my head  
Pretty soon I'll want the real thing instead  
But for now I got this sweet memory  
Sunny day Sunny day  
Not a cloud crosses the sky  
Not a tear comes to my eye  
On this sunny day  
Sweet Memory  
Talking bout a sweet memory  
It goes round and round in my head  
Pretty soon I'll want the real thing instead  
But for now I got this sweet memory  
Sweet Memory
