

Hit The Ground Running

Melody Thornton

I'm here, to remind you
What you do in the dark comes to light
Just so you know, cus you tried to
Bury me, doesn't mean you will shine
Oh unwise, what you're building
Cus your castle made of sand will wash away
Oh I urge you, just be careful
You might be eatin' every word that you say

If you are what you say, bein' all and be all
You're expecting' me to stumble, and to lay where I fall
Then why do I stand before you, in my glory I stand tall
Cus if I, dare hit the ground you can be sure I'm gonna

Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Ohhh

I'm still here, to remind you
That your success is not determined by my demise
And just so you know, cus you tried to
Take for you what was rightfully always mine
Oh unwise, what your building
Cus your castle made of sand will wash away with the rain
I urge you, just be mindful
The toes you step on may be ones your forced to praise

How dare you try to change, what was written in the stars
Tried to rewrite what was made, by the hands of the lord
No your not, above him, if you think that you are
How sadly you are mistaken by his grace, if I fall

Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'
Gonna hit the ground runnin', I'm gonna hit the ground runnin'

Ohhh Wooo Ohhh Woooo Ohhh
Ohhh Wooo Ohhhhhh

I'm still here
Im still here
I'm still here
I'm still here
Mmmmm
I'm still here
