

Sweet Vendetta

Melody Thornton

Oh tonight
I'll bathe in a blob of blood
And it ain't right
Hanging over my head your tainted love
How could it be
That all the love I had wasn't enough
Oh tonight, gonna be a fight ain't no givin' up
Noo...

Just like a wild horse my love is strong
I'll be willing to fight for that love and carry on
Just like a Phoenix, leaving my nest
I'll be willing to draw blood, in my own defense
That's why

You're my sweet vendetta (You stabbed me in the back babe)
You're my sweet vendetta (And removed my heart the hard way)
You're my sweet vendetta (Thats why I'm never letting go)
I'm comin' for ya babe (You're my sweet vendetta)
And you don't get to love no more

There is a line
And babe I see it growin' thin, hey
When the love, the love it ends and rage begins
Believe me baby

Just like a wild horse my love is strong
I'll be willing to fight for this, love WILL carry on, hey
Just like a Phoenix, leaving my nest
I'll be willing to draw blood, in my own defense
That's why

You're my sweet vendetta (Stab me in the back babe)
 You're my sweet vendetta (And removed my heart the hard way)
 You're my sweet vendetta (Thats why I'm never letting go)
 I'm comin' for ya babe (You're my sweet vendetta)
 And you don't get to love no more

Uuuu (0000)
No more
I'm coming for ya
Coming for you
Cus you lovin' much cold hearted baby
That's why

You're my sweet vendetta (Stab me in the back baby)
 You're my sweet vendetta (And stole my heart the hard way)
 You're my sweet vendetta (Thats why I'm never letting go)
 I'm comin' for ya babe (You're my sweet vendetta)
 And you don't get to love no more

You're my sweet vendetta (No more, let go)
 You're my sweet vendetta (I won't let go, nooo)
 You're my sweet vendetta (Sweet, baby, you're my sweet)
 You're my sweet vendetta (Say you don't get to love no more)
