

## Adolescent Wet Dream

Melvins

Ha, adolescent wet dream  
This is a tune form Pussy Galore  
Set it up, pussy blame  
Like a sinner shelter move in now

Stay at home  
Won't you shut up, yeah  
Every frequent mammal, oh, sins around  
And bashes it out, it's like a bah

I'm not a saint  
Like a sinner shelter swing it on now  
From now honesty got to say  
Oh, you gonna mess it up  
Who never gonna fuck it up, yeah  
What the hell were you thinking of?
