

## Blockbuster

Melvins

Your first mistake was to think you could fuck with the ranch  
Here I come, here I come, with my dick in my hand  
Do you think you'd like to have a blockbuster up your ass  
Do you think you'd like that, well do ya motherfucker  
Do ya, motherfucker  
Do ya

We'll smash your eggs and then your head and we'll nab your kid  
s  
Take 'em outback on the deck and barbecue their ribs  
Throw their heads into your ivy, water them with piss  
Do you think you'd like that, well do ya motherfucker  
Do ya, motherfucker  
Do ya

Your first mistake was to think you could fuck with the ranch  
Here I come, here I come, with my dick in my hand
