

## Echo Head/Don't Piece Me

Melvins

Don't piece me  
Smokin' like a dreamer  
Don't piece me in  
Tear apart your headache  
Take it in your rib tee  
Check the placid league fight  
It's your symbol  
Choose what's in my skull  
Never run, never  
Oh, God, it looks so beautiful  
Never, never is an ugly word
