

## Halo of Flies

Melvins

I've got the answers to all of your questions  
If you've got the money to pay me in gold  
I will be living in Old Monte Carlo  
And you will be reading the secrets of soul  
Daggers and contracts and shiny limos  
I've got a watch that turns into a lifeboat  
Glimmering nightgowns and poisonous cobras  
Silence under the heel of my shoe  
The elegance of China  
They sent her to lie here on her back  
But as she deeply moves me  
She'd rather shoot me in my tracks  
And while a Middle Asian lady  
She really came as no surprise  
But I still did destroy her  
And I will smash  
Halo of flies  
I crossed the ocean  
Where no-one could see  
And I put a time bomb in your submarine  
Goodbye to old friends  
The secret's in hand  
With full discs and printouts  
And fantastic plans  
You never will understand...
