

## Jew Boy Flower Head

Melvins

Liar  
Lies on and anyway  
Leader  
He cannot forget  
The world needs now  
And anyway I hate it  
Leave it on the floor  
The seer  
Lies on and anyway  
Maybe  
Attach it to the wall  
The world needs now  
And anyway the crosses  
It's later than you think

We all need  
An old and all  
Lately  
He cannot forget  
Holding out  
And everywhere  
I seen it  
And we can all belong  
The wheel  
Sized up and everything  
And feeling  
Back against the wall  
The world is now  
A motor, yeah  
The native  
We are not alone
