

## Mary Lady Bobby Kins

Melvins

Let's begin  
Let's all martyr my mother  
I forget  
You're the wonder walker.

What is there  
This is true our cage misses  
And is it mine?  
And can it be your mouth?

We all are here  
We all are just right near  
And in my ear  
I hear what you are now.

Albion, Albion, Albion, Albion

Underneath the Magick  
Under all the Law  
What is this thing I see?  
Ordinary, ordinary

Albion, Albion, Albion, Albion

Let me tell the world  
How you are  
What will your wife remember?  
Ordinary, ordinary

Albion, Albion, Albion, Albion

Now that you've opened  
All of our dull minds  
Let me thank you most repeatedly  
Hands, eyes, tongue.
