

## Now a Limo

Melvins

Cold conditions  
A lack of unions  
He shot a prisoner  
The state avoids him  
Across the water  
What lies under  
Is it really  
Like a thunder  
Loud boom on a carryin' over  
This law  
Is Johnny's deception  
This belt  
Job of protection  
This gun  
Is your destination  
Duh duh duh duh duh duh  
Duh duh duh duh duh duh
