Melvins

Are you of got to ree
Got force to ready
Drop dead more
Struck blind cuz you're makin me sick
Back dud lee
Insect for the crawling mother
I know who which one of you
Outside and I got no clue

All you a got's your tears
Its all to make my money
I know who to one of you
Sometime and I crawl to steal
A back blood lean
Outside an all the narrow
I know who which one of you
I want more to find the care
