

# You've Never Been Right

Melvins

THE raidings  
AND what we think is right  
We're babies  
Not alive

The mirror  
The images you've named  
Your mirror  
Not a name

The ravings  
And what we think is right  
We're babies  
Not alive

The mirror  
Always says our names  
Becomes clearer  
AND amazed
