

# Not Enough

## Memphis May Fire

I take a deep breath into my lungs, let it out and move on.  
I take a step back and look at all that I've done.  
Why does it feel like I'm right back where I started from? (started from)  
How can it be I need more when I've already won? (when I've already won!)

Just when I think I've got it all figured out,  
You grab my hand and say "Not so fast.  
Boy, don't you see? There is so much more!"

I'm at the top of the world and I feel it (and I feel it),  
But it's not enough for me, no it's not enough for me!

I used to think I'd find myself at the top  
Above all the pain and the failure I saw.  
Now that I'm here I see it's not what I wanted at all!

I feel it in my bones, it's in my blood.  
A constant search for the one true love.  
Show me something real, I want to feel your touch.  
What is enough? Show me enough!

I'm at the top of the world and I feel it (and I feel it),  
But it's not enough for me, no it's not enough for me!  
I want to live forever, forever!  
Give me open eyes to see,  
This is not enough for me!

(This world wants me dead, this world wants me dead)  
This world wants me dead,  
Dead to the truth and buried from the inside out.  
But I can't hide the hope I've found in you!

This world wants me dead,  
Dead to the truth and buried from the inside out,  
But I cannot be shaken, I won't be moved.  
My crown is eternal!

My crown is eternal! My crown is eternal!

I'm at the top of the world and I feel it (and I feel it),  
But it's not enough for me, no it's not enough, not enough!

I'm at the top of the world and I feel it (and I feel it),  
But it's not enough for me, no it's not enough for me!  
I want to live forever, forever!  
Give me open eyes to see,  
This is not enough for me!
