

Without Walls

Memphis May Fire

This is who we are! These are the roads we paved, the strength
we found &
The mistakes we made along the way.
This is who we are! These are the roads we paved, the strength
we found &
The mistakes we made along the way.
This is who we are! These are the roads we paved, the strength
we found &
The mistakes we made along the way. This is who we are! These are
the roads
We paved and now I've had enough of your judgement.
You pass it so easily. If you think that I take it to heart now
you see
This is my design.
You don't know the cost. So I'll keep my faith & you can stay
lost. Who is
With me! ?
We have the strength to shed light. And this is the moment
suspended in
Time.
No limits, no boundaries at all.
Just when you think we conform to a scene we break down the
wall!
