

Good Biscuits

Memphis Minnie

Listen to my song, ladies, please take strictly
understand
Listen to my song, ladies, please take strictly
understand
Don't let no outside woman make no biscuits for your man

I'm going to give you all the lowdown, lowdown if I can
I'm going to give you all the lowdown, lowdown if I can
Why I'm a single woman today by letting other women feed
my man

So the next daddy I get, I'm going to take him to the
restaurant
So the next daddy I get, I'm going to take him to the
restaurant
Ain't gonna have him going around eating biscuits, whoo,
whoo, made up with your nasty hands

I just found out how come I can't keep a man
I just found out how come I can't keep a man
I don't get no one buddy, I have too many a-doggone
friends

You don't mean me no good, just a grin when I come in
You don't mean me no good, just a grin when I come in
But if I catch you feeding my man, whoo, whoo, Lord, I'm
going to the pen
