Men Without Hats

Bum, bum, bum
Bum, bum, bum
Bum, bum, bum
Bum
Bum, bum, bum, bum, bum

Look out your window
It's a sunny day
And when the sun don't shine
And you're on my mind
It's sunny anyway

And when the sun goes down
Don't be afraid
It's just the game she plays
When the moon's around

Bum, bum, bum, bum, bum
And it illuminates your body
Bum, bum, bum, bum, bum
Yeah, it illuminates your body
Your body
I love your body

Bum, bum, bum, bum

Look out your window
See a funny face
And then you realize
That you see those eyes
Nearly every day

So you go outside
And you look around
And you touch the ground
In a sunny way

And it illuminates your body
Yeah, it illuminates your body

Bum, bum, bum
It illuminates your body
Bum, bum, bum
Yeah, it illuminates your body
Your body
I love your body

Body
Your body
I love your body
Oh, hey

And it illuminates your body
Yeah, it illuminates your body
Yeah, it illuminates your body
Yeah, it illuminates your body
Yeah, it illuminates your body

Yeah, it illuminates your body
