

## Dreaming

Men Without Hats

I always thought that everything  
That I believe is true  
Now I wonder deep in my heart  
How much I haven't really knew

And if you try to change your life  
Don't just be dreaming

I always wanted to be sure  
That what I thought was right  
But I couldn't tell what was holding me back  
As I wandered through the night

And if you try to change your life  
Don't just be dreaming  
(Save it for a rainy day)

I always thought that everything  
Turned from bad to good  
Now as everything is falling apart  
I know I never understood

If you try to change your life  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy day)

And if you try to change your life  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy day)  
Don't just be dreaming  
(Save it for a rainy)

Rainy days are here again  
Rainy days are here again  
Rainy days are here again  
Rainy days are here again
