

Hey Superstar

Men Without Hats

Hey superstar
Hey superstar
Hey superstar
You left your lights on

Hey superstar
You're on a mission
Hey superstar
There's a condition
Hey superstar
We want religion

Hey superstar
Hey superstar
Hey superstar

Hey superstar
We want emotion
Hey superstar
We want devotion
Hey superstar
We'd swim the ocean

Hey superstar
Hey superstar
Hey superstar
Hey superstar

Hey superstar
Hey superstar
Hey superstar
You left your light on

Never been down that road before
But I hear it's quite insane though
Could have been that and a whole lot more
But I never made it over the rainbow

Never been down that road before
But I hear it's quite insane though
Could have been that and a whole lot more
But I never made it over the rainbow

Superstar
Hey superstar
Hey superstar
You left your lights on

Hey superstar
Hey superstar
Hey superstar
Hey, hey superstar

Hey superstar
Hey superstar
Hey superstar
Hey superstar

Hey superstar
Hey superstar
Hey superstar
You left your lights on
You left your lights on
You left your lights on
Hey superstar
Hey superstar
Hey superstar
Hey superstar
Hey superstar
Hey superstar
Hey superstar
