

Piece Of Me

Menswear

Sex is a secondary thing doomed to come dumb and king
What's your preference? Come on now and talk some sense
Do you know where to draw the line? If I seem to act unkind
Sometimes I try too hard, sometimes I go to far

It's my way of showing you, you own a piece of me
It's my way of showing you, you own a piece of me

Please don't get tired of me, or this crazy situation
Try and bare along with me, have a lot of patience
Maybe I will surprise you, maybe I will hurt you
Sometimes I won't think straight, sometimes you'll have to compensate

It's my way of showing you, you own a piece of me
It's my way of showing you, you own a piece of me

Sex is a secondary thing doomed to come dumb and king
What's your preference? Come on now and talk some sense
Do you know where to draw the line? If I seem to act unkind
Sometimes I try too hard, sometimes I go to far
