

Bobby boy's full of bravado  
His girlfriend looks like Bridgette Bardot  
He got drunk and crashed his car  
He is such a superstar

He's a supercharged lover  
Sold his soul and sold his mother  
For his rock 'n' roll and fame  
Again and again and again and again and again

Bobby boy wears leather trousers  
Look so sexy they arouse us  
Travelled near and travelled far  
He is such a superstar

He's a superhuman lover  
Love's himself and loves no other  
Just rock 'n' roll and fame  
Again and again and again and again and again

He's superficial fucker  
Has the girls one after the other  
For rock 'n' roll and fame  
Again and again and again and again and again

He's a supercharged lover  
Sold his soul and sold his mother  
For his rock 'n' roll and fame  
Again and again and again and again and again

He's a superhuman lover  
Love's himself and loves no other  
Just rock 'n' roll and fame  
Again and again and again and again and again
