## **Bus Ride**

## **Mental As Anything**

I had a meeting at the junction But my car wouldn't function Didn't have enough for the cab Say wouldn't it be fab To take a bus ride...bus ride The bus stop was down the road And as I left my abode I looked out upon the sea Oh lucky me To take a bus ride...bus ride I climbed aboard and took a seat Satisfied that I would meet So many people there And every single one was rare On my bus ride...bus ride
