

# Like A Cannonball

Menudo

See the lighting cross the sky  
Makes me wonder why can't I  
Move that fast to get to where I'm going

I just can't wait to get to you  
Cause girl you know just what we'll do  
So much love for you is overflowing

I gave you a license to drive me up the wall  
I just can't shake this spell that your love keeps me under  
The way you weave your magic, your brown eyes say it all  
I look at you and feel the thunder  
Uh! It hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball  
Like a cannonball

Hearts beat at the speed of sound  
That's why I am so glad I found  
Someone who makes loving feel so right

If there's a detour up ahead  
I'll take another road instead  
Nothing's keeping me from you tonight

I gave you a license to drive me up the wall  
I just can't shake this spell that your love keeps me under  
The way you weave your magic, your brown eyes say it all  
I look at you and feel the thunder  
Uh! It hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball  
Like a cannonball

I gave you a license to drive me up the wall  
I just can't shake this spell that your love keeps me under  
The way you weave your magic, your brown eyes say it all  
I look at you and feel the thunder  
Uh! It hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball  
Like a cannonball

Hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball  
Like a cannonball  
Hits me like a cannonball
