

Move

Menudo

You ain't never heard nothing like this nah never nah nah never never never
nah nah
You ain't never felt no heat like this never nah never never never nah nah n
ah nah

Made you look when you heard this beat
When the hook drop everybody move their feet
Had the crowd full of people saying give me something new
And Menudo come with a remedy for you.

If you tired of the same song , same hook , same look everybody playing with
the same book
Get ready cuz your boys be ready, maybe she's just scared, what we need alre
ady

Never know days never know ways you a never ever ever felt heat like this
Never know days never know ways ain't no body never made you move like this

You ain't never heard nothing like this nah never nah nah never never never

We gonna make you move move move move move move move.
We gonna make you move move move move move move move.

Tell the DJ turn that up
Hit the dancefloor where everybody tear that up
Hear the bass line blowin, make your body go jump
Hear the drum go thump
With the background hummin

Don't it feel good? Don't you wish you could come
Dance all night 'til the sun shine bright
Get ready cuz your boys be ready
Take it on heavy, like we need it already

Never know days never know ways you a never ever ever felt heat like this
Never know days never know ways ain't no body never made you move like this

You ain't never heard nothing like this nah never nah nah never never never
