

# Move

Menudo

You ain't never heard nothing like this nah never nah nah never never never  
nah nah

You ain't never felt no heat like this never nah never never never nah nah n  
ah nah

Made you look when you heard this beat  
When the hook drop everybody move their feet  
Had the crowd full of people saying give me something new  
And Menudo come with a remedy for you.

If you tired of the same song , same hook , same look everybody playing with  
the same book  
Get ready cuz your boys be ready, maybe she's just scared, what we need alre  
ady

Never know days never know ways you a never ever ever felt heat like this  
Never know days never know ways ain't no body never made you move like this

You ain't never heard nothing like this nah never nah nah never never never  
nah nah  
You ain't never felt no heat like this nah never nah never nah nah never nev  
er nah  
You ain't never heard nothing like this nah never nah nah never never never

You ain't never felt no heat like this never nah never never never nah never  
nah nah

We gonna make you move move move move move move move move.  
We gonna make you move move move move move move move move.

Tell the DJ turn that up  
Hit the dancefloor where everybody tear that up  
Hear the bass line blowin, make your body go jump  
Hear the drum go thump  
With the background hummin

Don't it feel good? Don't you wish you could come  
Dance all night 'til the sun shine bright  
Get ready cuz your boys be ready  
Take it on heavy, like we need it already

Never know days never know ways you a never ever ever felt heat like this  
Never know days never know ways ain't no body never made you move like this

You ain't never heard nothing like this nah never nah nah never never never
