## **Move**

## Menudo

You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this never nah never never never nah nah n ah nah Made you look when you heard this beat When the hook drop everybody move their feet Had the crowd full of people saying give me something new And Menudo come with a remedy for you. If you tired of the same song , same hook , same look everybody playing with the same book Get ready cuz your boys be ready, maybe she's just scared, what we need alre ady Never know days never know ways you a never ever ever felt heat like this Never know days never know ways ain't no body never made you move like this You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this nah never nah never nah nah never nev er nah You ain't never heard nothing like this nah never nah nah never never never nah nah You ain't never felt no heat like this never nah never never never nah never nah nah We gonna make you move move move move move move. We gonna make you move move move move move move. Tell the DJ turn that up Hit the dancefloor where everybody tear that up Hear the bass line blowin, make your body go jump Hear the drum go thump With the background hummin Don't it feel good? Don't you wish you could come Dance all night 'til the sun shine bright Get ready cuz your boys be ready Take it on heavy, like we need it already Never know days never know ways you a never ever felt heat like this Never know days never know ways ain't no body never made you move like this You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this nah never nah never nah nah never nev er nah You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this never nah never never never nah never nah nah

We gonna make you move move move move move move move. We gonna make you move move move move move move.

Allow us to introduce you to the greatest show

I promise it ain't nothing like you ever seen before We gave you something to move to and so much more Just wait and see what Menudo has in store. You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this never nah never never never nah nah n ah nah You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this never nah never never never nah never nah nah We gonna make you move move move move move move. We gonna make you move move move move move move. You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this nah never nah never nah nah never nev er nah You ain't never heard nothing like this nah never nah nah never never nah nah You ain't never felt no heat like this never nah never never never nah nah n ah nah

We gonna make you move move move move move move move. We gonna make you move move move move move move move
