

# On the Edge of Sanity

**Mercenary**

Self inflicted torture  
Wrap myself in pain  
Never take a second to think  
Of the people I have shamed  
Fight to fake emotions  
To make me seem alive  
But the endless emptiness  
Keeps growing deep inside

I can't take this  
I can't face this  
Life

Oh, where is the enemy  
Where is the end for me  
This is not what I wanted  
Oh, every day that I am facing  
I feel less alive  
One step away from my demise

Never felt pleasure  
Never felt content  
Every step I take  
I'm facing my decent  
With blood on my fists  
And death in my eyes  
Breath thick of liquor  
God please let me die

Please let me  
Please let me die

I can't take this  
I can't face this life

I can't take this  
I can't face this life

Are you fucking ready?
