

## Premature Burial

Mercenary

Premature Burial  
Premature Burial

I'd Rather Be Dying  
Ten Times A Day  
Than Going Through  
This Bloody Misery

The Eternal Flame  
In The Garden Of The Gods  
I Now See Before Me  
Never Breathe, Never Scream  
Never See Again  
Cannot Someone Hear Me?  
I Can't Believe I'm Six Feet Under  
Still Alive And Well...Well I Wonder  
Hear My Heartbeat Decreasing In Time  
Apart From That I'm Doing Fine...Fine!!!

Dragged Away In A Casket I Am  
A Nightmare Worse Than Vietnam  
I Now Lie In My Domicile  
Another Name Erased From The File

Screaming My Lungs To Blood  
Dreaming Away To Far Out Places  
Revenge Is Certain  
In My Forthcoming Life  
Compulsion Is My Motive Power  
Never Breathe, Never Scream  
Never See Again  
Or Feel My Soul Devoured  
Blessed Be The Man  
Who Spares His Stones  
And Curst Be He  
Who Moves My Bones  
Can't Use My Eyes Only Just My Mind  
Now I Know That I'm Going Blind...Blind!!!

They Try To Kill Me  
But I'll Never Die!!!
