

Downs Are Feminine Balloons

Mercury Rev

Ya gotta give me a scene from your battle sky zone
I don't know
Go blur the things that matter to me most
Friend or foe
Your fume, baby
Soon, baby
Kaboom, kaboom, kaboom
Tonight I'll dig tunnels to your nightmare room
And if there's one thing I can't stand
It's up
And if it's one thing I can't stand
It's up
Should have known better than to do that stuff
That stuff can mess you up (can mess you up)
That stuff can mess you up
And if there's one thing I can't stand
It's up
And if there's one thing I can't stand
It's up
Kick in the crawl from your watering hole
Wailing woo
My mind pines for fluid filled eyes
What to do
Your fume, baby
Soon, baby
Kaboom, kaboom, kaboom
Tonight I'll dig tunnels to your nightmare room
And if there's one thing I can't stand
Is up
And if there's one thing I can't stand
It's up
And if there's one thing I can't stand
It's up
And if there's one thing I can't stand
It's up
Should have known better
Than to do that stuff
That stuff it can
Mess you up
