

Something For Joey

Mercury Rev

Crash land in an obscene movie
And find yourself on an outstretched finger
A p/massive heart as a massive hole
You see faces that you did not know
It's exact their stinger's intact
They're designed Their mouths are moving a million miles an hou
r
It's the only way, hey
You're seeing illusions in this house
The things we never talk about
So place your lips around the spout
And slowly blow yourself away
