

Angel of Light

Mercyful Fate

I have seen Him there
Master of Light, Master of the night
Master of all the things that shine

Chorus:

Oh I believe...

I believe in all that I have seen
And I have seen the Angel Of Light
I have seen the Angel Of Light... Lucifer
I have seen Him there

Deep down where the Devils dwell
Deep down in the darkest well

Chorus

I will make a second deal with the Prince Of Light
Never will break the Oath I gave that night
Shine in all your glory, shine your light on me

I have seen Him there
Deep down where the Devils dwell
Deep down in the darkest well

Chorus
