

## Come to the Sabbath

Mercyful Fate

Come come to the sabbath  
Down by the ruined bridge  
Witches and demons are coming  
Just follow the magic call  
Come come to the sabbath  
Down by the ruined bridge  
Later on the master will join us  
Called from the heart of Hell

At first we light up a fire  
And then we hail our Lord  
Two candles, a black and a white  
Are placed upon the altar  
North, south, east and west  
And so we clean the air  
High priestess invoking the Devil  
Infernal names are spoken

Come to the sabbath...sabbath...sabbath...sabbath  
Come to the sabbath

The ceremony's proceeding  
It's time to grant your wishes  
An evil curse on the priest  
Who took the life of Melissa  
Now we must close up the ritual  
Read the Enochian key  
And so it will be done  
Amen... now come

Come to the sabbath...sabbath...sabbath...sabbath  
Come to the sabbath...now here we come

If you say Heaven, I say a castle of lies  
You say forgive him, I say revenge  
My sweet Satan, you are the one
