

Gypsy

Mercyful Fate

This magic winter night I see a light
Again I hear that tune, some sort of croon

Oh no no no, oh my brain

I see them gypsy wagons left in the snow
Oh I must see that lady, I have to know
Gypsy woman let me inside

Solo: Michael Denner

They say you know the secret, secret of time
So gaze into your crystal and tell me all
you see

Gypsy Woman let me know

"Oh my son you were never gone
You are the Devil's child, and so am I"

Solo: Michael Denner/Hank Shermann

Gypsy now I know you're not my mother
You are a part of my soul, it's clear for all to see

Oh no no no, I am you
Gypsy you're inside of me
