

# Insane

## Mercyful Fate

I see little demons,  
Are they in my head?  
I see little demons,  
Fightin in my bed

Why did I go insane?  
Oh doctor kill the pain

Screams in the night,  
I hear another one died  
Was it number 9,  
Or was it me who cried

Why did I go insane?  
Oh doctor kill the pain

When I look in the mirror,  
My mind goes blank  
My brain is burning up,  
Insanity...  
When I look in the mirror,M  
y mind is,  
Dead  
Is it me on the other side?

I saw the look on your face,  
The night they took me away

Not a tear,not a trace,  
Just stood there waving goodbye

Dead roses in my room,  
A love that died too soon

When I look in the mirror,  
My mind goes blank  
My brain is burning up,  
Insanity...  
When I look in the mirror,M  
y mind is,  
Dead

Sanity turned Insane,  
I hang myself in a picture frame  
I'm so tired,  
Let me sleep  
I'm counting demons...

Why did I go insane?  
Oh doctor kill the pain

Oh doctor kill the pain,  
Oh doctor kill the pain
