

## Into the Coven

**Mercyful Fate**

Howl like a wolf  
And a witch will open the door  
Follow me and meet our high priestess

Come, come into my coven  
And become Lucifer's child

Undress until you're naked  
And put on this white coat  
Take this white cross and  
Go to the middle of the ring

Come, come into my coven  
And become Lucifer's child

Now crush it, crush the cross

Suck the blood from this unholy knife  
Say after me: My soul belongs to Satan

Now, now you're into my coven  
You are Lucifer's child  
Into the coven  
Lucifer's child
