

Nightmare

Mercyful Fate

Am I awake or is this just a dream?
I had a nightmare, some sort of vision

I was stuck in an empty room
When the black book appeared

The lights were dim, but the face in the book
Was in daylight

Eyes of fire staring at me
It's the eyes of a woman
And I see, on her spirit
Steppin' out of the book

Solo: Michael Denner

I hear her callin' for her coven to come
There's a light in the doorway
Entering shadows whose number is 13
They do the sign of the Devil's seed
I'm in the middle of a magic ring
Somebody tell me, what's goin' on
"Only we know the secret of the curse
that you bear"

Listen, they sing, the coven sings
Night after night I hear them sing
No, they're still here, I can hear them again
Night after night I have this dream
"You are insane!"
"You are insane!"
"You are insane!"
"You are insane!"
"You're only living on borrowed time from
your fate"
