

Nuns Have No Fun

Mercyful Fate

Upon a cross a nun will be hanged
She will be raped by an evil man
Knock spikes through her hands
Things won't come she won't understand

You're a nun you haven't had no fun
Living your life as virgin queen
I'm gonna change it and I'll get it done
Tomorrow you won't be a virgin queen

C. U. N. T. that's what you are, you're C. U. N. T. yeah
I get it up, I get it up in the dark
I make her feel I'm not a holy man
Faster breathing, she's like a shark
She want's more, I'm gonna give her my cross

Nuns have no fun, They just have their fathers and sons
But I'll give them hell, I never fail
Nuns have no fun, They just have their fathers and sons
But I'll give them hell, I never fail

I get it up, I get it up in the dark
I make her feel I'm not a holy man
Faster breathing, she's like a shark
She want's more I'm gonna give her my cross

C. U. N. T. that's what you are, you're C. U. N. T. yeah.
