

# All Of Creation

MercyMe

Separated until the veil was torn  
The moment that hope was born  
And guilt was pardoned once and for all

Captivated but no longer bound by chains  
Left at an empty grave  
The sinner and the sacred resolved

And all of creation sing with me now  
Lift up your voice and lay your burden down  
And all of creation sing with me now  
Fill up the heavens let his glory resound

Time has faded and we see him face to face  
Every doubt erased forever we will worship the king

ohh ah ohhh...ohh ah ohhh

The reason we breathe is to sing of his glory  
And for all he has done praise the father praise the son and the spirit in one

And every knee will bow oh and every tongue praise the father praise the son and the spirit in one
