

Call To Worship

MercyMe

I will worship the one who threw the stars to the night
I will worship the one who tells the sun to shine
I will worship You
I will worship You

My hands I lift to You
My voice I lift to You
My heart I lift to You
Hallelujah

I will worship the one who calmed the raging sea
I will worship the one who hushed the rage in me
I will worship You
I will worship You
