Dear Younger Me

MercyMe

Dear younger me Where do I start If I could tell you everything that I have learned so far Then you could be One step ahead Of all the painful memories still running thru my head I wonder how much different things would be Dear younger me, dear younger me

Dear younger me I cannot decide Do I give some speech about how to get the most out of your life Or do I go deep And try to change The choices that you'll make cuz they're choices that made me Even though I love this crazy life Sometimes I wish it was a smoother ride Dear younger me, dear younger me

If I knew then what I know now Condemnation would've had no power My joy my pain would've never been my worth If I knew then what I know now Would've not been hard to figure out What I would've changed if I had heard

Dear younger me It's not your fault You were never meant to carry this beyond the cross Dear younger me

You are holy You are righteous You are one of the redeemed Set apart a brand new heart You are free indeed

Every mountain every valley Thru each heartache you will see Every moment brings you closer To who you were meant to be Dear younger me, dear younger me

You are holy You are righteous You are one of the redeemed Set apart a brand new heart You are free indeed
