

## Finally Home

MercyMe

I'm gonna wrap my arms around my Daddy's neck  
And tell him that I've missed him

And tell him all about the man that I became  
And hope that it pleased him

There's so much I want to say  
There's so much I want you to know

When I finally make it home when I finally make it home

Then I'll gaze upon the throne of the King  
Frozen in my steps

And all the questions that I swore I would ask  
Words just won't come yet

So amazed at what I've seen so much more  
Than this old mind can hold

And the sweetest sound these ears have yet to hear  
The voices of the angels
