Ghost

There's a ghost There's a ghost inside of me Not like those drips in ol' bedsheets Saying "trick or treat" Different Oh this ghost is different Not one that leaves me scared to death But one that puts my fear to rest

Oh-oh-ohhhh, oh-ohh Holiness keep haunting me Oh-oh-ohhhh, oh-ohh You're my hope, You're my peace Ironic in a way I'm no longer afraid And the ghost is to blame

There's a ghost There's a ghost inside of me Not something from some campfire story Where I'm terrified to sleep Opposite This ghost is quite the opposite He came just like a welcomed friend I was comforted

Oh-oh-ohhhh, oh-ohh Holiness keep haunting me Oh-oh-ohhhh, oh-ohh You're my hope, You're my peace Ironic in a way I'm no longer afraid And the ghost is to blame

I'm not afraid I'm not afraid! No longer afraid

Lead me through the darkness Lead me through the unknown Oh-ohh, lead me Holy Ghost Lead me through the darkness Lead me through the unknown Oh-ohh, lead me Holy Ghost Lead me through the darkness Lead me through the unknown Oh-ohh, lead me Holy Ghost Lead me through the darkness Lead me through the unknown Oh-ohh, lead me Holy Ghost
