

## Happy Little Love Song

**MercyMe**

Everybody sing a song of love now  
Raise your voices high to God above (2x)  
We sing holy, holy, holy are you Lord (2x)

With our lives, oh God, we're going to seek you  
With our voice, oh God, we're going to praise you  
With our hearts, oh God, we're going to love you more
