

Hold On

MercyMe

Ever have those times
When you feel so small
On a starry night
As you stand in awe

Have you climbed
To the mountain's edge
And the world you find
Makes you catch your breath

If you think that this
Is the best that it can get
Oh the wonder of it is
You ain't seen nothing yet
Just hold on
Hold on

It's the butterflies
When she says I do
And a baby's cry
In a world brand new

It's the arms
That are holding you
And the moment when
All your dreams come true

If you think that this
Is the best that it can get
Oh the wonder of it is
You ain't seen nothing yet

The sweetest sound
Yet to be heard
Still you know you want to hear it more
Oh we long
Long to return
To a home we've never seen before

If you think that this
Is the best that it can get
Oh the wonder of it is
You ain't seen nothing yet

If you think that this
Is the best that it can get
Oh the wonder of it is
You ain't seen nothing yet
Just hold on
Hold on
Hold on...
