

## It's My Joy

MercyMe

It's my joy to worship You  
It's my joy to speak your name  
It's my joy to be in your presence  
It's my joy  
It's my joy

It's my joy to please you Lord  
It's my joy to honor you  
It's my joy to give you glory  
It's my joy  
It's my joy

I will sing hallelujah to my King  
And I lay my heart down at your feet  
And I pray that what you hear and what you see  
Brings joy to Thee  
Brings joy to Thee
